Prasanth lives with his parents in Tiruchirappalli. In the summer, he always visits his grandparents in Nagathi, a river island in Thanjavur District. The river water, **bifurcates** into two and **merges** again and forms this village. So, the village is ever green with mighty trees and beautiful landscapes. He always spends his **vacation** here, hanging out with his grandfather and his friends. His grandfather was a retired central government employee. So he has travelled to many parts of India. His knowledge always **amuses** him. Prasanth has just come to his grandparents. This news reaches his friends and they have to take him out for playing. Grandfather is very concerned; he gives some instructions and tips for their safety.
