Black Money

Black Money

Black Money is a form of unaccountable Money. Black Money is mostly created by business people. They do not show actual income earned in their economic activities. They show only a part of income earned for the purpose of Tax evasion.

The black money is accumulated by the criminals, smugglers, hoarders, tax-evaders and other anti-social elements of the society. In India, black money is funds earned in the black market, on which income and other taxes have not been paid.The total amount of black money deposited in foreign banks by Indians is unknown. The root cause for the increasing rate of black money in the country is the lack of strict punishments for the offenders.
